ROSES

PATENTED VARIETIES, BUSH ROSES

BUCCANEER—PAF. A new yellow rose that is outstanding in every respect.

\$2.75 each, 3 for \$7.25

CHIEF SEATTLE—Plant Pat. No. 1030. Here is a beautiful and unusual rose. A rich shade of buff-apricot. One of the finest roses for cutting.

\$2.50 each, 3 for \$6.60

CRYSLER IMPERIAL—PAF. In color, it is unmatched by any other red rose. It's vivid, rich tones of crimson are enchanted by darker overtones of glowing oxblood red. Long tapering buds, blooms 4 to 5 inches across. A.A.R.S. award for 1953.

\$3.00, each

FORTY-NINER—Plant Pat. No. 792. One of the most brilliantly hued bi-color ever introduced. The outside of the petal is a rich chrome - yellow and the face of the petal a vivid red.

\$2.00, each

FRED HOWARD—Plant Pat. No. 1006. The long, rich yellow buds are tipped with delicate penciling of light pink. Long stems, excellent for cutting. A.A.R.S. award for 1952.

\$2.50, each

HELEN TRAUBEL—PAF. Named after one of the greatest of American Concert Artists. The color varies with the weather, from a light sparkling pink to a luminous apricot.

\$2.75, each, 3 for \$7.20

KATHERINE T. MARSHALL—Plant Pat. No. 607. A pink rose of rare beauty and form. Large blooms and fruity fragrance.

\$1.75, each

PEACE—Plant Pat. No. 591. Color, gold and pink. Petals are edged with apple-blossom-pink that deepens as the flower slowly opens to glorious 5 inch blooms.

\$2.50, each; 3 or more, \$2.20, each

PATENTED FLORIBUNDAS

FASHION—Plant Pat. No. 789. Brilliant luminous coral flowers overlaid with gold. All season bloom large clusters and singly.

\$2.00, each; 3 or more, \$1.75, each

MA PERKINS—PAF. New 1953 A.A.R.S. winner. A suffusion of yellow is present in all early stages of bloom. With aging, comes a soft coral shell pink. Rich green foliage.

\$2.25, each; 3 or more, \$2.00, each

VOGUE—Plant Pat. No. 926. A new floribunda with its own unique brilliantly glowing cherry-coral color. Rich spicy fragrance.

\$2.25, each; 3 or more, \$2.00, each

NON-PATENTED FLORIBUNDAS

FLORADORA—A geranium red floribunda producing double 25 petaled flowers.

Height, 2½ feet \$1.00, each

GOLDEN SALMON—Bright orange-salmon. Fine for mass planting, blooms continuously.

\$1.00, each

DWARF POLYANTHA

IDEAL—A dwarf growing, hardy plant that seldom gets over 18 inches tall. Small red, double blooms.

\$1.00, each

RUGOSA ROSE HYBRIDS

These are the hardy bush roses, that need very little attention. Will "stay put" even after severest winters.

AMELIA GRAVEREAUX — A fragrant, bright red rose with dark green foliage.

\$1.25, each

BLANC DE COUBERT—A pure white. Attractive foliage.

\$1.00, each

SARAH VAN FLEET—Perhaps the best of the pink rugosas.

\$1.00, each

RED GROOTENDORST — Excellent as a hedge. Produces large clusters freely throughout the growing season.

\$1.00, each

CLIMBING ROSES

WHITE DAWN—A pure white climbing rose, producing double blooms all summer. Flowers the first year.

\$1.75, each

SEVEN SISTERS—Has double deep pink flowers in large clusters.

\$1.25, each

RED EXCELSA—Bright red or scarlet. Large clusters of small flowers.

\$1.25, each

Flowering SHRUBS

Inexpensive Foundation Planting

SPIREA VAN HOUTTEI (Bridal Wreath)—This graceful old favorite needs no introduction. Grows anywhere.

18-24 inch, 50c each; 3 for \$1.35

DWARF NINEBARK—A new strain of dwarf growing ninebark. Produces lovely white flowers in June. One of our best shrubs.

18-24 inch, 75c each; 3 for \$2.00

HONEYSUCKLE (Zabeli)—Red flowers in May are followed by bright red berries. Deep green foliage. 2-3 ft., 75c each, 3 for \$2.00

RED-LEAF BARBERRY—A colorful shrub. If planted in full sun, foliage is bright red all summer. Red berries hang on all winter.

12-15 inch, 70c each; 3 for \$1.80

PRUNUS CISTENA—New leaves come out a bright red. Very hardy and attractive. Dwarf growing. 18-24 inch, \$1.25 each; 3 for \$3.25

VARIGATED DOGWOOD—Silver variegated leaves, bright red bark. 2-3 ft., \$1.75 each

POTENTILLA FRUTICOSA—A small growing shrub with yellow butter-cup like flowers.

Also known as cinquefoil. 15-18 inch, 65c each

PINK ALMOND—A small shrub, bearing an abundance of double, rose-like flowers, before the leaves appear. 2-3 ft., \$1.25 each

EUONYMUS ALATUS COMPACTA—A new dwarf form of winged-bark burning bush. Small yellow flowers in June. Vivid crimson autumn foliage. Very hardy. Something different in a shrub. 12-15 inch, \$1.50 each

SNOWBALL—The large white blooms, resembling snowballs, account for the name. Another old favorite. 18-24 inch, \$1.00 each

COTONEASTER—One of our most useful shrubs. Glossy dark green leaves that turn a brilliant red in fall. Hardy anywhere.

Heavy 2 year old plants.

18-24 inch, 75c each, 3 for \$2.00

FLOWERS

BEDDING PETUNIAS—Greenhouse grown. Healthy, vigorous plants. 75c per dozen.

MUMS—Potted plants, in a variety of colors. Each 40c or 3 for \$1.10.

TUBEROUS ROOTED BECONIAS—(Double Flowered Camellia Type) Four colors to choose from: Scarlet, White, Yellow, and Pink. These bulbs should be potted in March and started in the house, to be set out later.

8 bulbs, (2 of each color) for \$1.75

All one color, 8 bulbs \$2.00

LYTHRUM — Morden Pink. The graceful spikes of deep pink flowers, is quite a sight, when planted in groups or a hedge. Blooms all summer. A hardy Perennial - will grow anywhere.

35c each or 6 for \$1.50

CLIMBING VINES

BOSTON IVY—Clings to brick or cement walls. Heavy 2 year plants, 75c each.

GOLDFLAME HONEYSUCKLE—A new vine with large clusters of fragrant, red trumpets, lined with gold. Blooms from May until frost. Select vines, 90c each.

HEDGES

FOR PRIVACY AND DIVISION OF PROPERTY

DWARF NINEBARK—This new plant makes an ideal formal hedge. Very dense, easily sheared, dwarf upright growth. Plant 18 to 20 inches apart. 12-15 inch, 25 plants for \$6.25

COTONEASTER—This acutifolia form will grow 6 to 8 feet if left untrimmed. Deep glossy green leaves, small pink flowers, followed by an abundance of black berries makes it ideal for screen. Can also be sheared to desired height. Plant 18 to 20 inches apart.

12-15 inch, 2 year plants, 25 for \$6.25

HONEYSUCKLE—The thick, dark green foliage of Zabeli, makes this one of the best informal hedge plants. The red flowers followed by bright red berries, makes this an attractive hedge all summer, if left to grow naturally. Plant 24 inches apart.

12-18 inch, 25 plants for \$6.00

Windbreak Trees

For Protection Against Snow and Wind

Be sure to make the very outside row to the north and west, Honeysuckle.

BELLA ALBIDA HONEYSUCKLE—This is the only variety that should be used for Wind break planting. Don't be fooled into planting seedlings of some southern grown stock. None will compare with this old standby. One row with plants set 4 ft. apart in the row, is all you need to stop the snow. Heavy, field grown, from cuttings well rooted.

2-3 ft. \$20.00 per 100

18-24 inch, \$17.50 per 100

Also include several rows of the "NEW HARDIN"

strain of Chinese Elm from Canada. Much hardier and especially adapted for windbreaks. 18-24 inch, per 100, \$5.00

2-3 ft., per 100, \$8.00

LAUREL LEAF WILLOW—Heavy 1 year old. Well rooted.

3-4 ft., \$9.00 per 100

GOLDEN WILLOW—Heavy, 1 year old. Well rooted. 5-6 ft., \$10.00 per 100

GREEN ASH—More ash should be planted in the windbreak. Dependable, long lived. Two year old trees,

18-24 inch, \$5.00 per 100

We DO NOT Dig Trees on Sundays.

Previous Orders May Be Called For On Sundays.

pine grown.

2 foot, bushy trees, each \$2.75

BLACK HILL SPRUCE—A compact, symmet-
rical, fast growing tree.

15-18 inches, choice trees - \$2.25

18-24 inches, choice trees - \$3.00

24-30 inches, choice trees - \$3.75

The following grades of Black Hills Spruce
need not be balled.

Choice trees, 12-15 inches, each \$1.00

9-12 inches, each 50c

This is as fine a lot of small Black Hills as
are growing anywhere.

Small Fruits

GOOSEBERRY—Pixwell, the new gooseberry
from North Dakota. Fine quality berries.
Bears very young.

Heavy well rooted plants, 75c each

GRAPES—Concord, bears large bunches of
sweet, juicy, blue-black grapes every year. Re-
quires winter protection.

3 for \$1.00

GRAPES—Fredonia, ripens 3 weeks earlier
than Concord. The fruit is equal to or better
than the Concord. Requires winter protection.

3 for \$1.00

RHUBARB — McDonald, red, very tender
stalks of extra large size. Tremendous yielder.
No. 1 divisions 65c each

ASPARAGUS—Mary Washington, a very good
variety for our soil. Easy to grow.

25-two year plants for \$1.50; 100 for \$4.00

PLANT AN ORCHARD

GROW YOUR OWN FRUIT TREES IN YOUR OWN BACK YARD

APPLES—All varieties, 4-5 foot trees.

\$1.50 each; 3 for \$4.25

ORIOLE — The earliest high quality, good
size apple. Will ripen in August, hardy.

BEACON—All red, bears early and will ripen
in early September. Extra good for pies.

MINJON—A large brilliant dark red fall ap-
ple, that doubtless will become the leading
fall variety.

PRAIRIE SPY—Late fall apple that will keep
all winter. One of the best of the recent in-
troductions.

YELLOW TRANSPARENT—The well known
early summer apple. We have had these for
many years, always in demand.

HARALSON—A long keeping winter apple.
Large, red, solid, crisp, juicy apple. Extra
good for pies and good eating, especially in
late winter and spring.

FIRESIDE—A yellow and red apple that has
flavor all its own. Solid, crisp juicy apple.
Keeps all winter.

WHITNEY CRAB — This well known early
crab is still in big demand. Everyone should
include one or more.

PLUM TREES—All varieties are 1 year old
from buds, 4 to 5 ft., \$1.50 each; 3 for \$4.20

KAGA—This variety is recommended as a pol-
linizer and is well worth growing for it's fruit.
A medium size, red plum, good eating and
cooking.

SUPERIOR — Originated by the Minnesota
Fruit Breeding Farm. Very large, delicious red
plum. Rich sweet flavor.

RED GLOW — A new hardy good quality
plum. The fruit is a dark bronze-red with or-
ange flesh.

GRENVILLE—A Canadian variety. Of high
quality, large, very hardy.

SPLENDID—A fine plum. Recommended and
adapted to western plains conditions.

HENNEPIN—A good medium sized red plum.

SHADE AND ORNAMENTAL TREES

FOR BEAUTY AND COMFORT

MORAINÉ LOCUST—New. Fast growing—
Seedless—Long lived. No other shade tree
possesses the many fine features of the Mo-
raine Locust. Same type of foliage as honey
locust, minus the thorns and seed pods. Order
early, supply limited.

5-6 ft. whips, each \$5.00; 2 for \$9.75

MARLE, Crimson King—This is the one that
comes out red in the spring and holds its col-
or all summer. A brilliant new tree, that is
gaining favor throughout the country. Per-
fectly hardy here. Plant Pat. No. 735.

5-6 ft. whips, \$4.95 each, 2 for \$9.65

MAPLE, Schwedleri—Comes out with bright
red leaves in the spring, gradually changing
to bronze-green in summer, then to a deeper
green to yellow after frost. Many fine Schwed-
leri maple growing in this area 30 years old or
more.

3 year old, field grown 6-7 ft., \$6.00 each
MAPLE, Hard—A beautiful shade or boule-
vard tree. Brilliant yellow-orange or scarlet
foliage in late fall.

Well grown trees, 6-8 ft. \$4.00, each
MOUNTAIN ASH—A semi-dwarf specimen
tree. White flowers followed by clusters of
orange-red berries.

6-8 ft. \$3.50, each

ELM, American (Grafted), also known as the
Lake City Elm—These are grafted elm select-
ed for their uniformity, good shape and fast
growing habit.

6-8 ft. \$3.00, each

ELM—American, grown from seed. Hardy,
fast growing, dependable.

Well grown trees, 6-8 ft., \$2.50 each 3 or
more \$2.25 each

BIRCH—Cut-Leaf Weeping. With silvery
white bark, graceful drooping branches and
finely cut leaves. Should be planted in moist
locations. Well branched, 8-10 ft., dug with
earth ball, \$6.00 each.

POPULAR, Lombardy—Widely used for tall
screens and accent points. Glossy leaves that
shimmer in the sunlight. Very rapid growth.

5-6 ft., lightly branched, 50c each

Whips same height, 25c each

These are one year old from cuttings.

WILLOW, Niobe Weeping—A graceful weep-
ing tree that needs lots of room to develop.
Golden yellow bark, narrow green leaves.

Well branched, 1 year old, \$1.00 each

ALMEY CRAB—A new introduction in flow-
ering crabs, that has been sensational all
over the country. Dollar size blooms of rich
fiery crimson. A high class ornamental tree,
which is mature at about 15 feet tall. The
small red fruit hangs to the tree, well into
the winter, which adds to it's beauty. You will
like Almey.

5-6 ft., trees \$2.75 each
